**"One of Our Most
Consistent Producers"**

"I have been interested in learning that Mr. J. L. Aldrich, manager of our Fargo District, has been a student of your Business Management Course.

"Mr. Aldrich joined our sales organization two years ago, and has increased steadily the volume of his sales. His work is of a very high order, and he is one of our most consistent producers."

Increases Income—

Wins Big Opportunity

"When I enrolled for LaSalle training in Business Management I was an order clerk. I had never sold anything. After completing about three-quarters of the training, I stepped out from my salaried office job to a commission proposition selling Monroe Calculating Machines.

"At the end of eighteen months, my income was 153 3/4 per cent greater than during any six months before I enrolled with LaSalle. Better yet, on April 1st of this year I was appointed Monroe District Manager for North Dakota. I am counting on a real success in this new opportunity."
(Signed) J. L. ALDRICH.

Order Clerk Becomes District Manager —Gives Credit to LaSalle Training

J. L. ALDRICH, Fargo, N. Dak, was an order clerk. He had never sold goods; had never held a managerial position. Today he signs himself "District Manager." His territory is all of North Dakota, and the firm he represents is the Monroe Calculating Machine Co., Inc.

What this advancement means to Mr. Aldrich—aside from an increase of 153 3/4% in income—may be grasped from the fact that the Monroe Calculating Machine Co., Inc., operates the largest factory in the world engaged exclusively in the production of calculating machines (at Orange, N. J.); maintains offices in all the principal cities of the United States and Canada; sells its product in every corner of the globe.

Mr. Aldrich frankly attributes his advancement in large measure to LaSalle training in Business Management. LaSalle, he says, gave him the confidence to cut loose and start selling on commission. *He is one of twenty Monroe men who are winning advancement thru*

LaSalle. Read his letter—and that of his employer—quoted in the column at the left.
